Mitch
And
Greg
Innovating
Cleaning

Magic Cleaning Solutions was born from a desire to make a difference in the world of cleaning and washroom supplies, and we were willing to put our name to it, quite literally!

We are very passionate about our mops (and all of our other cleaning products) and we strive to give the best customer service we can. We genuinely take an interest in all our customers businesses, as their success is our success. This is why we offer lots of support and conduct site visits, to not only ensure you get the right products for the job, but so that we can really get to understand your business and develop relationships that we can both prosper from.

We have plenty of experience in the industry and we are on hand to offer any help and advice where we can. From hard to clean areas to contract mobilisations or staff training and everything in between, you can make use of our knowledge and experience for your benefit.

We strive to make the world of toilet rolls and mops a fun place and to keep things very light-hearted, whilst maintaining a professional service. We love what we do and hope that you do too!

Mitch and Greg

ABOUT US

Michelle (Mitch) Lewis

I am incredibly proud of what our business stands for and enjoy the challenges that each day brings.

I have been married to my husband Mark since 1995, and we have one daughter Daisy and 2 two cats, Frank and Buddy.

I love to work hard and enjoy what I do immensely, but equally I like to relax, whether that is spending time with my family and friends or travelling to new and exciting places with my husband.

My photo was taken in 2019 when I ticked one off my bucket list, eating ice cream at the Trevi Fountain in Rome.

- Favourite pastime – **Holidaying**
- Favourite places – **My home and Ibiza**
- Favourite foods – **Roast dinner, either beef or chicken**
- Favourite drink – **Tea**
- Favourite sports – **Netball**
- Favourite film – **Pretty Woman**
- Favourite cleaning product – **Sorry, can't decide between Ultrafresh and Urika!**

Greg Jackson

I am a father of two gorgeous girls and a husband to a very understanding and supportive wife, I have a menagerie of animals including ducks, guinea pigs and a dog. I love to spend time outdoors in nature and visit National Trust properties as I do enjoy the history of England.

Work is a passion for me and never a chore, I try to help our customers to the best of my abilities and support them in their ventures, I really like to see local businesses working together and flourishing, there is a real sense of achievement when it all goes well for everyone, it is a simple symbiotic relationship…. If our customers succeed, we all succeed.

- Favourite pastime – **Playing the Banjo** (even if I'm not quite there yet)
- Favourite places – **Norfolk**
- Favourite foods – **Cheeseburger**
- Favourite drink – **Irn Bru**
- Favourite sports – **Netball**
- Favourite film – **Hot Fuzz**
- Favourite cleaning product – **MAGIC sponges**

Training

Staff training is a great way to ensure you get the most from your team and give them the tools to complete their job to the best of their ability.

We are able to offer staff training on site for the following:

- **COSHH training**
- **Cleaning awareness, monitoring and productivity for supervisors and above**
- **Bodily fluid spills**
- **Driving licences for all cleaning machines**
- **Sanitising touch points**
- **Product specific training**

All training sessions involve an element of theory, practical work and demonstrations.

All successful candidates will receive a certificate of competence, for your records.

Price dependent on course and attendee numbers.

For more information please contact us at **sales@magiccleaningsolutions.co.uk** or visit our website **www.magiccleaningsolutions.co.uk**

Consultancy

With over 35 Years combined experience in the Cleaning Industry we are able to offer comprehensive consultancy on the following:

- **Best cleaning practices**
- **Product recommendations and free trials**
- **Problem solving and troubleshooting**
- **Improving productivity through innovation**
- **Developing cleaning schedules and monitoring forms**
- **Product sustainability review**
- **Independent cleaning audits**

Contact **Michelle Lewis 07494 424104** or **Greg Jackson 07377 376925** or email **sales@magiccleaningsolutions.co.uk**

PVA – WATER SOLUBLE CLEANING SACHET SYSTEM

BENEFITS
The system is a safe and easy process for operatives to use.

NO WASTAGE
By supplying products in their concentrated form, wastage is reduced and so is the associated costs with managing this.

DOSE CONTROLLED
All sachets have the correct dose per application, making the system easy to use.

90% REDUCTION IN PACKAGING
All plastic-free packaging.

LIGHTER PRODUCTS
Manual handling and the associated risks are significantly reduced when moving the product.

NO CHEMICAL CONTACT
The formulations are protected by a water-soluble film layer, so there is minimal risk of the formulation coming into contact with operatives skin or eyes.

EASY TO USE SYSTEM
Accompanied by training and cleaning plans. The system is effortless to implement.

See pages 44-45 for our full range

ENVIRONMENTAL BENEFITS
Minimising our impact on the environment is at the core of everything we do.

REDUCE CARBON FOOTPRINT BY 95%
Compared to transporting liquid concentrates. PVA Hygiene products result in no transportation of water.

BIODEGRADABLE, PRE-DOSED FORMULATIONS
No risk of chemical overdosing, which has the potential to negatively impact the planet.

NO SINGLE-USE PLASTIC
Our bottles are designed to be durable and last a lifetime. Through reusing our bottles, the system reduces waste by 90% compared to using traditional commercial cleaning solutions.

PLANET FRIENDLY PACKING
Compostable and recyclable options of packaging are available. All FSC-Certified.

LUCART ECO NATURAL PRODUCTS SUSTAINABLE, RESPONSIBLE AND ECONOMICAL

At Magic Cleaning Solutions we are always looking at ways where we can be environmentally responsible and when we were presented with the opportunity to promote the Lucart Eco Natural range of products we jumped at the chance and are delighted with the reception that has been received, with many end users having already installed the new toilet roll and hand towel dispensers using Eco Natural.

We all need to act now and support more sustainable products in order to save our environment, for us, our children and the generations that follow.

ENVIRONMENTAL BENEFITS

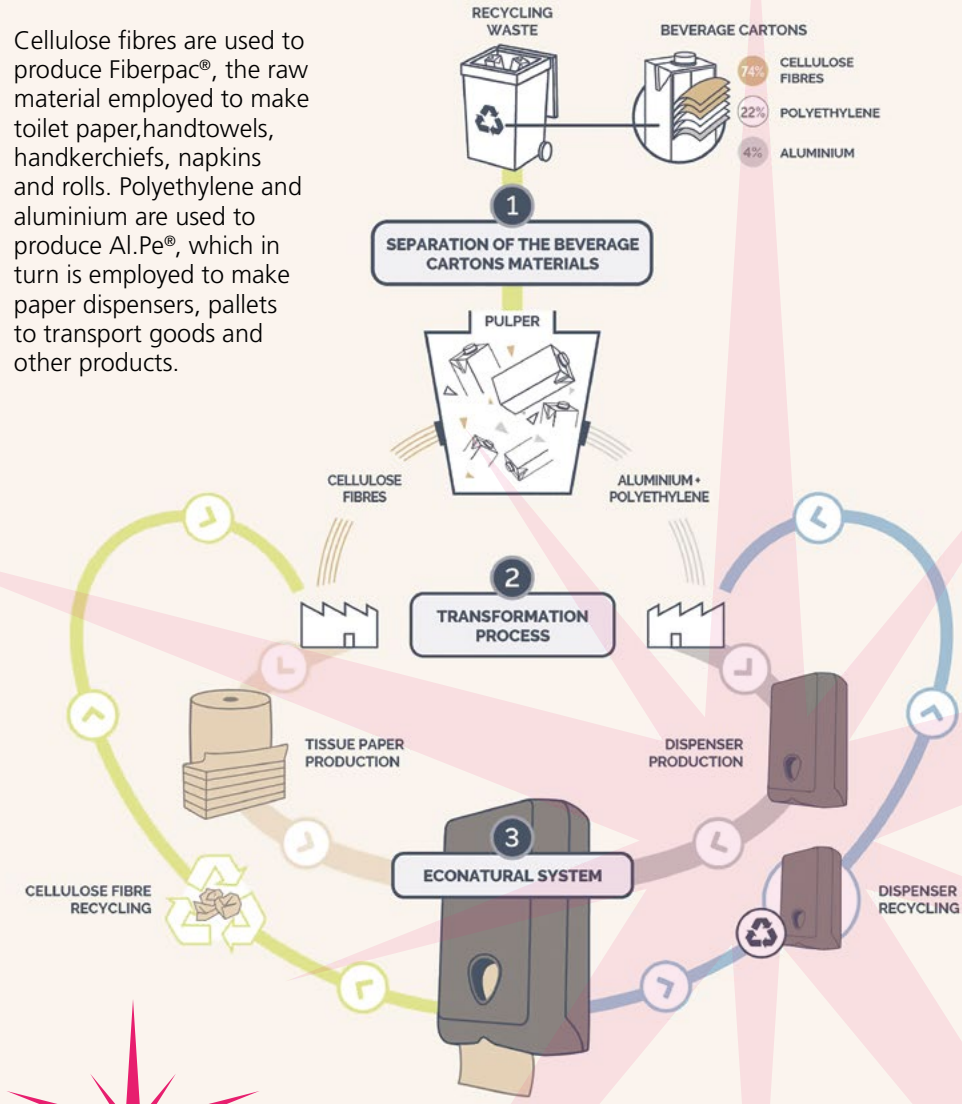

If you are looking to make your School or Workplace more sustainable then contact us and we can discuss how we may best support you and your sustainable requirements.

LUCART WASHROOM SYSTEMS
THE CIRCULAR ECONOMY

Lucart's innovative washroom solutions stem from advanced technology that recycles 100% of beverage carton components through a one-of-a-kind manufacturing process in the sector.

Cellulose fibres are used to produce Fiberpac®, the raw material employed to make toilet paper,handtowels, handkerchiefs, napkins and rolls. Polyethylene and aluminium are used to produce Al.Pe®, which in turn is employed to make paper dispensers, pallets to transport goods and other products.

PRODUCT CODE	PACK SIZE
S1	1 Litre

Versan Disinfectant

Broad spectrum surface disinfectant for disease control. Ideal for medical areas.

PRODUCT CODE	PACK SIZE
VS1	1 Litre

FOR PERFECT DOSING CONTROL
ONE CAPFUL = 1 TRIGGER BOTTLE (50 BOTTLES)
TWO CAPFULS = 1 BUCKET SOLUTION (25 BUCKETS)

Magic Cleaning Solutions

magiccleaningsolutions.co.uk

When using the bottle for the first time, the dosage control cap needs to be primed with its first dose of product. Invert the bottle to fill.

Lift the flip-top cap and invert the bottle to dispense a 20ml dose of product into a trigger bottle or bucket as required.

After dosing, turn the bottle upright and dose again!

Simple Dilutions

One dilution rate for all Doseit products keeps dilution easy and reduces the chance of issues caused by incorrect product strengths.

Container Sizes	600ml, 5L
Number of Doses (1 dose = 20ml)	1, 2

Multi-Lingual Training

Multi-lingual pictogram guides are available on Clover's website, in most European languages, as an additional training aid.

Simple Costings

20ml shot is more effective than systems with smaller doses.

Creates 50 trigger sprays or 25 buckets per bottle.

8 x 1ltr case – creates 400 triggers or 200 buckets.

SANITISERS & DEODORISERS

Clover Fresh – Wild Lemon Fragrance

An amazing smelling disinfectant designed for regular use on all hard surfaces. Kills MRSA.

PRODUCT CODE	PACK SIZE
FWL5L	5 Litre

Super Antiviral Disinfectant

KILLS CORONAVIRUS

This formulation kills a range of pathogenic viruses in under 5 minutes. The safe formula is suitable for use on most non-porous surfaces and when used as directed, leaves treated surfaces safe for human contact.

Independently tested February 2020 to European Standard BS EN 14476 against Coronavirus

CAN BE USED THROUGH A FOGGING MACHINE

General purpose sanitiser effective within 5 minutes. Cleans and disinfects. Non bleach, non tainting formula, safe for food preparation areas. Tested to BS EN 14476, BS EN 1276 & BS EN 1369.

Bio Surface Sanitiser RTU

Utilises eco-friendly, naturally derived, mild surfactant and a natural fermentation extract to produce an environmentally-responsible and sustainable cleaner and food safe sanitiser.

Disinfects, descales, deodourises and provides an odour-free deep clean. Kills a wide range of bacteria, viruses and spores. Safer for the user as well as the environment than most traditional disinfectants.

Containers made from 100% PCR recycled plastic. Free from VOC – 60 Second contact time.
